

# CHECKLIST:

## Pet Evacuation Grab and Go-Bag

You never know when you may need to evacuate your home due to an unexpected emergency. A little preparation can make a huge difference. Make sure your fluffy family members are prepared by pre-packing an evacuation go-bag for each pet. Here's a checklist to get you started.

### Include:

- 3-7 days of food (dry or canned)
- 3-7 days of water (water bottles)
- Non-tipping food/water dishes
- Cage or carrier for each pet (label with your contact and emergency contact information)
- Leash, collar, harness for each pet (attach tags)
- Muzzle for each pet (in case of painful injury needing first aid care)
- Stakes and tie-outs
- Litter pan, litter, litter scoop
- Newspaper or pee pads
- Can opener and spoon
- Favorite toys, treats, blankets
- Hand sanitizer
- Paper towels
- Other: \_\_\_\_\_
- \_\_\_\_\_

### Place in a waterproof bag:

- Vaccination history
- Veterinary medical records
- Emergency contact information
- Special diet needs
- Medication (marked clearly for each pet, doses and vet contact information)
- Photos of you with your pets
