

## Application for a Compliance Audit of Election Campaign Finances 2018 Municipal Elections

### General Information

Under the *Municipal Elections Act, 1996* ("Act"), candidates and contributors are bound by specific election campaign finance rules. Candidates must file provincially prescribed financial statements with the Regional Clerk outlining their campaign finance activities.

Any eligible elector who believes on reasonable grounds that a candidate has contravened one or more of the election finance rules in the Act may submit an application for a compliance audit of the candidate's campaign finances.

### Submitting a Request for Compliance Audit

All requests for a compliance audit must be submitted using this application form. A separate application form is required for each individual candidate. Applicants are required to complete a statutory declaration as part of the application process. The applicant is required to sign this application form in front of the Regional Clerk, a commissioner for taking oaths or a notary public.

Application forms must be submitted to the Regional Clerk in person during regular business hours.

### Application Deadlines

For the 2018 Municipal Elections, a request for a compliance audit must be filed with the Regional Clerk by:

1. **June 27, 2019**, for a candidate who filed their financial statement by 2 p.m. on March 29, 2019;
2. **Within 90 days** of the date on which a candidate filed their financial statement if the statement was filed within 30 days of March 29, 2019; or
3. **December 27, 2019** for a compliance audit of a candidate who filed a supplementary financial statement (if applicable).

### School Board Candidates

The Joint Compliance Audit Committee does not receive applications to audit school board trustee campaigns. For more information about compliance audits of school board trustee candidates, please contact the school board directly.
